

THE OBJECT LESSONS CHANNEL!

Jesus Leads Us to God the Father

- Good for ages eight and above •

Main Point: Follow Jesus our Savior

Presentation Outline:

- Tell the story of the impossibility of instantly finding one marked tennis ball among trillions. (The story is told in the Demonstration Video linked below.)
- Ask and answer the question about how to instantly find the tennis ball.
- Read the Bible Story and compare it to finding the tennis ball.
- Hand out the Activity Page copies.

Objects Required: One tennis ball, or any object of about that size.

Bible Story: John 14:1-6 - Jesus is the Way to Our Home in Heaven.

Read John 14:1-6 to your listeners. In the passage Jesus reveals that He is going to His Father's house to prepare a place for us. He also makes the well-known statement: "I am the way and the truth and the life. No one comes to the Father except through me."

Be sure your audience makes the connection that struggling to find the tennis ball on our own is just as impossible as struggling to find God by our own efforts. Make sure they understand that, like being led by you to the wanted tennis ball, Jesus leads us straight to God and our place in heaven.

Activity Page: Your Home in Heaven

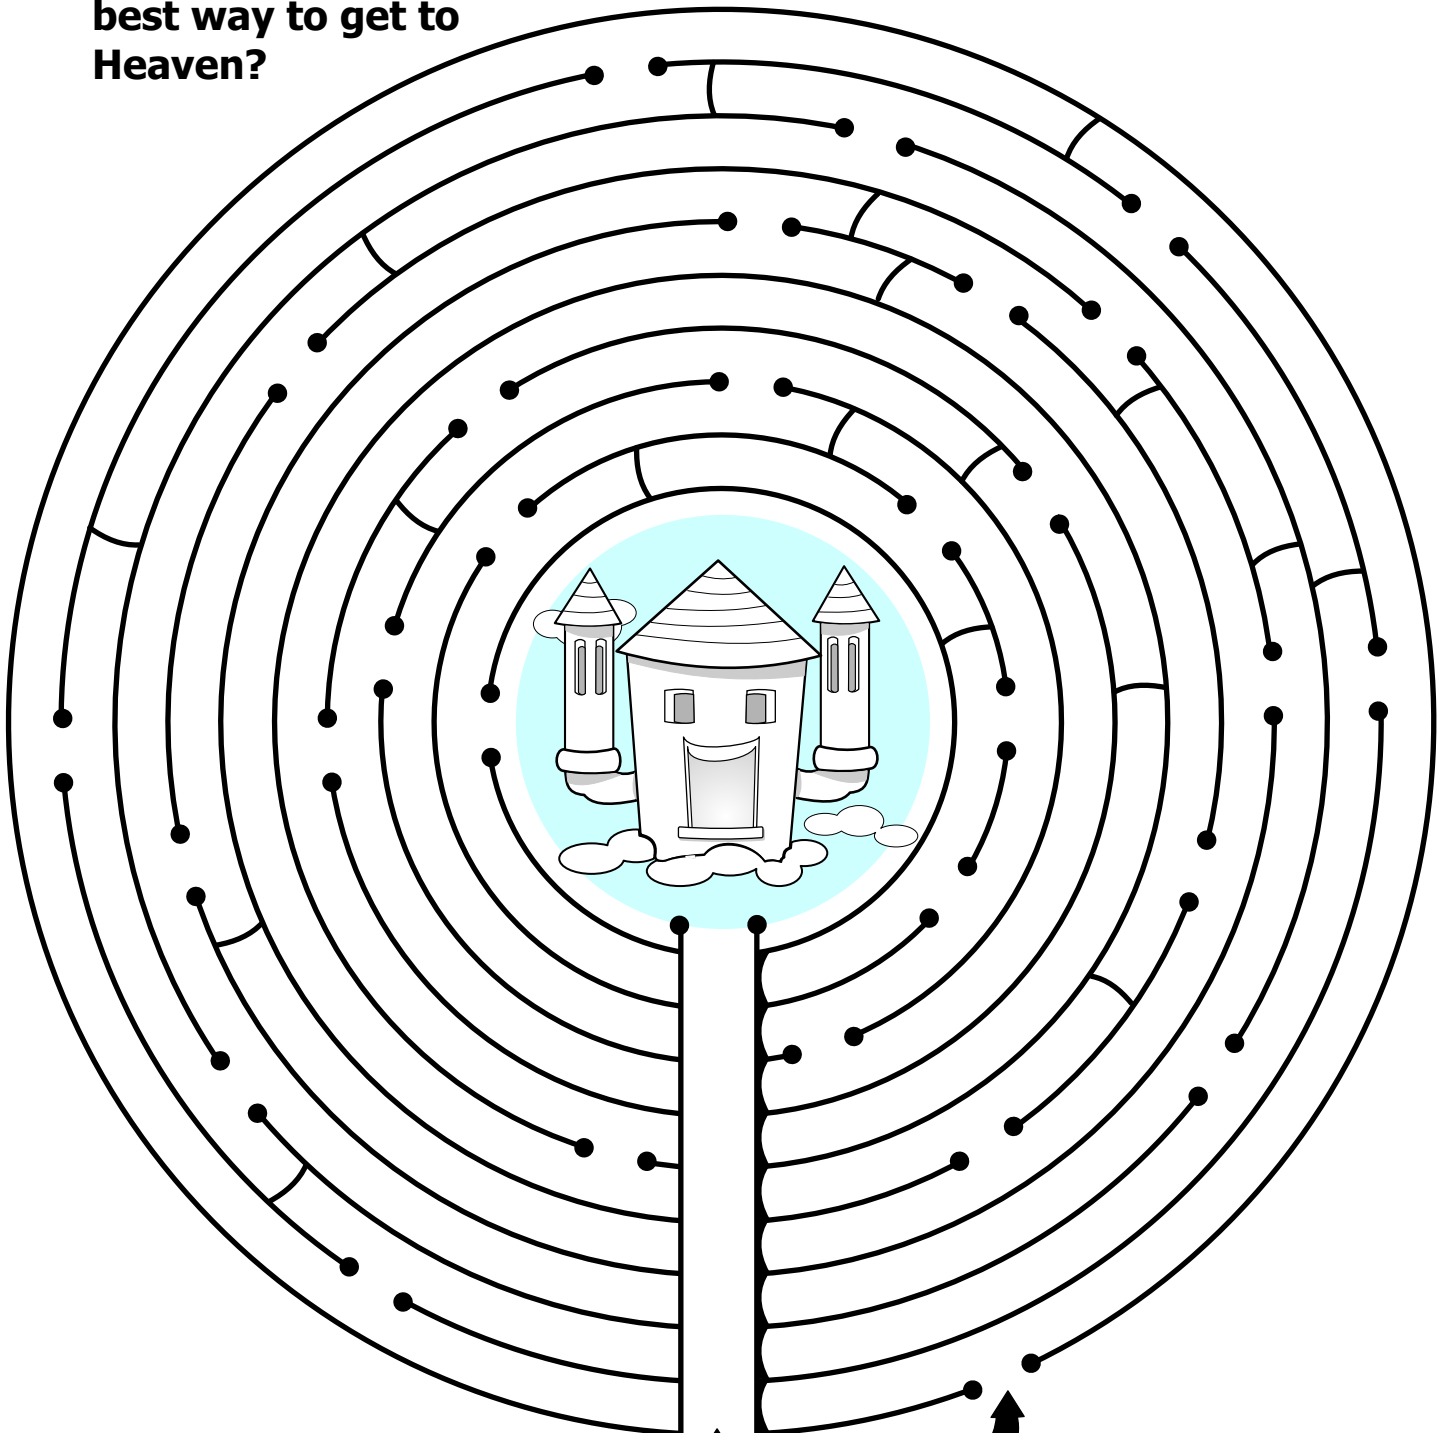

The kids are each given a maze to solve. It's a tongue-in-cheek look at the difference between following Jesus to our home in heaven and trying to find some other way. Choosing Jesus solves the maze immediately, choosing the other path leads round and round to nowhere.
